If you want the cards immediately sign up for presto pay. Payments will automatically be taken from your checking account.

- Please note that all orders using Pesto Pay will be charged a .15 cent fee for convenience.
- Beginning May 5<sup>th</sup> your voucher card will have this .15 cent fee added to the amount of savings you have earned if the amount of discount will cover the fee.
- ShopNow gift cards will be sent to your e-mail account to be printed.

If you chose not to sign up for presto pay

1. Cards will be available to print when payment is received at GSA.
2. When ordering Shop Now and sending in payment to school... please do not order any gift cards that have to be shipped on the same order.

If you do not have a working printer the cards can be printed from any computer as long as you can access your e-mail. The Voucher Office can access Penteladata (ptd.net) and we will gladly let you print them.

Thank you for your support of Catholic Education.
