

## GPTO Social Committee Survey

The Social Committee would like to thank the GSA family for all of its support of our activities throughout the school year. We would especially like to thank the chair people and the volunteers of these events; they could not have happened without you!!

The school year brings with it many places to go and things to accomplish. We know we are competing for a most valuable commodity; time. Not only the students' time but the parents' and/or guardians' time as well. We appreciate any and all you are willing to give. Please consider adding your name and contact information to our volunteer bank. We will reach out to you at different times throughout the year to see if you are able to assist with any of our school activities. We know you can't be at every event but this list would be a great starting point for us. Any and all help from our parents and guardians is greatly appreciated. Remember we can't do this without you!

We have one last favor to ask before everyone leaves for some summer fun. In order to assist in planning for 2016-17, please rate the activities your children and/or you attended this year. Some of these events were old favorites, some brand new and some old with a new twist. How can we make them better? Should some be replaced? Do you have any brand new ideas? Please don't forget to ask the opinion of the kids as well.

Thank you for your time, your efforts and your energy. We hope you and your family have a very happy and safe summer and we can't wait to see you all again for the 2016-2017 school year!
